

Small Group Guidelines

This small group is an Intentional Discipleship Environment where we focus on the outcomes of growing in our **character** (fruits of the Spirit, Galatians 5:22-23) and activating our **calling** (gifts of the Spirit, 1Corinthians 12:4-11)

As we each find our way back to God and develop our character and calling we will increase in our desire, ability and courage to live as activated disciple makers (missionaries) in our everyday communities.
